Christmas Letter 2008

'Let the heavens rejoice, let the earth be glad; let them say among the nations: THE LORD REIGNS!' - David's Psalm of Thanks (I Chron 16:31)

Dear Family, Friends and Supporters of our Ministry:

At this holiday season of the year, we are realizing yet again HOW BLESSED WE ARE!

As we look back over the past year of what God has accomplished in us and through us, we stand amazed at His desire to put us in such a unique, undescrable, out-of-the-box ministry that we are still pinching ourselves to see if we are dreaming! Making Friends is what our ministry is all about---with Foreign Military Officers from as many as 90 countries around the world, ranging in rank from 2nd Lt. to 2-Star Generals!

We are known as "Pastor Dave and Mama Jan", and the students regard us as their parents away from home. But more than that, we continually share the gospel of Jesus Christ with them, taking them to church, having Bible studies, giving them gospel literature and books to read, Christian music to listen to---all of which is planting "seeds" of the gospel. Some leave and go back to their country acknowledging they have become a Christian, others take something with them that they still are studying and seeking. Muslims, Buddhists, Orthodox, and some with no faith at all, besides, real genuine Christians are what make up the "Amigo" group that we minister to. We had 20 foreign officers (plus 12 Americans) in our home for Thanksgiving, and expect the equivalent again for Christmas, where we will definitely explain what the birth of Jesus means and why He came.

This year, the Lord has added to the dimension of this ministry another missionary couple who work hand-in-hand with us, Ken and Peggy Krake. They are effective co-workers with a great background of working with USA military in the role of pastors at military bases overseas. They have jumped in with great gusto to work side-by-side with us---making friends and playing their part in making this ministry come together.

We want to thank you for your love and support for all that we are doing! Together we are seeing a great harvest of souls and will reap rewards that now only God knows how many that will be! Can you imagine that one day, one of these young men (or yes, women) could one day be the President of their country?! They are at the top level of their national military just by the fact they are here!! We realize that God could change the world because of the contacts we are having at this point in time! Please pray with us as we present the gospel day by day at the Defense Language Institute at the Lackland Air Force Base where at any given time, up to 1,000 foreign officers are there to study English from as many as 114 countries!

We wish you all a very Merry Christmas and New Year, and pray that the birth of Jesus will have a fresh meaning this year as you enjoy and contemplate the birth of our Savior---and, we might add---His imminent return!

Walking in His steps,

Dave & Jan Hall
